

The HVAC sales process you always wanted.

Stop wrestling with pricing spreadsheets and AHRI matchups. SetSale's AI prices every job and builds every option in seconds, so your team closes more jobs at bigger tickets.

Price

Pricing built from your equipment, costs and margins. Never underprice a job again.

Quote

Good-better-best options in seconds, with AHRI matchups, rebates and financing built in.

Present

A branded, interactive presentation homeowners actually understand.

Why SetSale?

Most shops guess at pricing, wait on the office for numbers, and let every rep pitch their own way. SetSale puts it all on one system, so every rep presents the same options at the right price, every time.

Built for your whole team

Owners & GMs

Consistent margins on every job.

Comfort Advisors

Bigger tickets, closed faster.

Techs

Quote and sell on the spot.

Back Office

Send, track and follow up.
